

## **Mumbai To Host The First ‘GreenBuild’ Conference And Expo Outside The US**

One of the largest events for the Green Building movement – GreenBuild, organised by US Green Building Council (USGBC) will be travelling for the first time outside the US. Mumbai will play host to the first GreenBuild Conference and Expo in India scheduled between November 2 and 5 this year. The conference and expo will be held at Bombay Exhibition Ground at Goregaon.

The council has been doing this popular event for Green Building movement in different cities of the US for the last 15 years. However, there has been growing demand from various quarters of South Asia to bring the conference to India since it is number four market in the world in LEED sustainability projects. The organisers are expecting a participation of 1,500-2,000 key people from the stake-holding industries for the event. The expo will be spread in 5,000 sq. mt. area.
