

Taj opens its doors for doctors on Covid-19 duty

The Tata Group have taken their involvement in covid-19 relief measures a step further by offering the rooms across the Taj brand for medical professionals working on covid-19 duty. So far the Tata group, comprising of Tata Trusts and Tata Sons, has donated a huge INR 1,500 crore, the funds of which will be used for giving proper equipment, testing kits, setting up treatment facilities and respiratory systems across the country.

Now the Indian Hotels Company Limited (IHCL), the hospitality business of Tata Sons have opened the doors of their luxurious hotel chain of The Taj Group for medical professionals treating COVID-19 cases in Mumbai. These rooms will be available across 7 of our hotels namely Taj Mahal Palace, Taj Lands End, Taj Santacruz, The President, Ginger MIDC Andheri, Ginger Madgaon and Ginger Noida City Center.
