The Fern Hotels' 40th property in Maharashtra launched in Jalna

The Fern Hotels & Resorts has announced the opening of its latest property in Maharashtra — Siddharth The Fern – An Ecotel Hotel, Jalna. Strategically located in the heart of the city, the 74-room hotel offers a seamless blend of modern comfort, refined design, and eco-conscious hospitality. With this launch, the group strengthens its footprint in Maharashtra to 40 properties (operational and upcoming).

A Destination with Purpose

"Jalna, with its growing prominence as a business hub and its deep historical roots, presents a compelling destination for both corporate and leisure travellers," said Suhail Kannampilly, Managing Director, The Fern Hotels & Resorts. "Siddharth The Fern, Jalna reflects our ongoing commitment to bringing purposeful hospitality to emerging economic and cultural centres — while staying true to our core values of sustainability and service excellence."

Design, Comfort & Dining

The hotel's 74 spacious rooms and suites are thoughtfully appointed with contemporary conveniences, warm interiors, and eco-friendly touches, creating a restful haven for travellers.

Dining highlights include:

- Khatirdari — an all-day, multi-cuisine vegetarian restaurant

- Saanjh — an elegant bar offering artisanal cocktails and premium spirits

- VIP Lounge — a quiet, private space for resident guests with personalised service

- 24/7 in-room dining — including a curated night menu for late-hour cravings

Spaces for Every Occasion

The hotel's event and celebration spaces include:

- Rangat and Taraana — versatile banquet halls

- Aamantaran Lawn — an expansive outdoor venue for grand gatherings
  Complementing these are on-site leisure and wellness facilities including a swimming pool, modern fitness centre, and a dedicated children's play area.

With its strategic location, sustainable ethos, and comprehensive amenities, Siddharth The Fern – An Ecotel Hotel, Jalna is set to become a preferred address for both business and leisure travellers in the region.
