

The Leela Gandhinagar Reimagines its Signature Sunday Brunch with a Nostalgic ‘Back to School’ Experience

The Leela Gandhinagar Introduces Nostalgic ‘Back to School Brunch’ Experience

The Leela Gandhinagar is bringing childhood memories to life with a specially curated ‘Back to School Brunch’ at Citrus Junction this June. Inspired by lunchbox favourites and after-school treats, the themed brunch combines nostalgic flavours with contemporary culinary presentations, creating a unique dining experience for families and guests of all ages.

The venue will be transformed into a school-inspired setting featuring blackboard-style décor, lunchbox-themed tablescapes, and live music. Guests can enjoy an elaborate spread of gourmet tiffin classics, chef-led live stations, comfort food favourites, and creative desserts such as the Chocolate Blackboard Delice, Lunchbox Tiramisu, and Geometry Box Dessert Platter. A standout attraction is the interactive “Pack Your Own Tiffin” experience, offering a sophisticated take on the traditional school lunchbox.

Designed as a family-friendly celebration, the brunch will also feature cookie decorating, drawing corners, themed craft activities for children, and a dedicated Class Photo Booth for capturing memorable moments. Through this unique concept, The Leela Gandhinagar aims to blend nostalgia, culinary innovation, and its signature hospitality to create an engaging and memorable weekend experience.
