

Royal Orchid Expands in Maharashtra with Regenta Central Shivani, Solapur

Royal Orchid Hotels Ltd. (ROHL), one of India's fastest-growing hospitality chains, has announced the launch of Regenta Central Shivani, Solapur, further strengthening its footprint in Maharashtra. This marks ROHL's fourth property launch in the state this year and its 13th hotel in Maharashtra, reinforcing the brand's strategic focus on high-potential Tier-II and Tier-III markets.

A Strategic Addition in Solapur's Industrial Heartland

Located in the MIDC area of Solapur, along the scenic Bhima and Seena river basins, the hotel is ideally positioned to cater to both business and leisure travellers. With convenient access to key cities such as Pune and Hyderabad, Regenta Central Shivani is poised to become a premium hospitality hub in one of Maharashtra's busiest commercial and industrial corridors.

Design Meets Utility in a Cultural City

The 65-key hotel, including three accessible rooms, blends functionality with a distinctive Rajasthani design theme. Modern amenities such as a swimming pool, spa, and gym add to the appeal, making it an ideal choice for guests seeking both productivity and relaxation.

Solapur's deep cultural and religious significance—home to pilgrimage destinations like Tuljapur, Pandharpur, and Akkalkot—also positions the hotel as a convenient base for spiritual tourism.

Versatile Spaces for Events and Dining

True to Royal Orchid's signature blend of design and utility, the hotel offers some of Solapur's most expansive event and dining spaces:

- A 1,000 sq. ft. meeting room for corporate gatherings
- An 8,600 sq. ft. indoor banquet hall
- A 25,000 sq. ft. outdoor lawn for large-scale social events

- A 170-cover all-day dining restaurant, a 40-cover poolside bar, and a stylish lobby café

This makes Regenta Central Shivani an attractive destination not just for travellers, but also for locals seeking event venues and elevated dining experiences.

Leadership Voices: A Shared Vision

Chander Baljee, Chairman and Managing Director, Royal Orchid Hotels Ltd., commented:

“Solapur holds immense potential—not just as a spiritual and cultural centre, but as an emerging commercial hub. This hotel supports our strategy to enter high-growth micro-markets with high-quality hospitality offerings. We’re pleased to partner with Mathura Agro Industries to bring this vision to life.”

Venugopal Karwa and Lavesb Karwa, Managing Directors, Mathura Agro Industries, added:

“This collaboration is a proud milestone. Regenta brings a modern, vibrant hospitality experience to Solapur, and we are excited to welcome guests to this new landmark.”

Tapping Into Solapur’s Multifaceted Potential

Beyond its textile and industrial legacy, Solapur is fast emerging as a diverse destination. From architectural landmarks like the Siddheshwar Temple and Shri Shivyogi Siddheshwar Swami Math, to nature-rich sites like the Ujani Dam and the Great Indian Bustard Sanctuary, the city offers unique experiences for spiritual seekers and eco-travellers alike.

Strengthening the Regenta Footprint

The opening of Regenta Central Shivani underscores ROHL’s focus on expanding in underserved urban centres with growing demand for branded, full-service hotels. The group currently operates 110+ hotels across India, and its Regenta brand continues to grow with offerings across the upscale to mid-market segments, catering to the evolving needs of the modern Indian traveller.
