

IHCL signs new 49- rooms Tree of Life resort in Nashik

Indian Hotels Company Limited (IHCL) has signed a new Tree of Life resort in Nashik, further consolidating its footprint in Maharashtra. Located in Trimbakeshwar, the resort will span over three acres and feature 49 thoughtfully designed rooms. The property will offer an all-day dining restaurant and bar, meeting facilities, a swimming pool, and a spa — catering to both leisure and small-format corporate gatherings.

Suma Venkatesh, Executive Vice President – Real Estate & Development, IHCL, said, “Nashik has increasingly become a preferred short-haul destination for travellers from Mumbai and Pune. Its unique blend of spirituality, natural beauty, and adventure tourism resonates strongly with leisure seekers. The debut of Tree of Life in this well-established market strengthens the brand’s presence in Maharashtra. We are delighted to partner with Onzal Farms LLP, represented by Dr Milind Pimprikar, Dr Vijaya Shelke, Dr Shubhangi Pimprikar, and Mrs Shreeys Shelke (Patel), for this exciting development.”

Home to the revered Trimbakeshwar Temple, Nashik continues to witness sustained demand fuelled by spiritual and leisure tourism. With this addition, IHCL’s portfolio in Nashik will grow to four operational hotels, with two additional properties currently in the pipeline.
