

## **IHCL named among Top 50 Innovative Companies at CII Awards 2025**

Indian Hotels Company Limited (IHCL) has been honoured among the Top 50 Innovative Companies at the Confederation of Indian Industry (CII) Industrial Innovation Awards 2025, underscoring the group's sustained commitment to innovation-driven growth, operational excellence and sustainability-led transformation.

The recognition highlights IHCL's focused approach toward embedding innovation across its business, strengthening service excellence, and building a future-ready, responsible hospitality ecosystem.

### **Leadership Perspective on Innovation & Growth**

Commenting on the achievement, Gaurav Pokhriyal, Executive Vice President – Human Resources, IHCL, said that innovation remains a critical driver of the company's transformation and long-term business performance. Aligned with its purpose of pioneering responsible change and creating enduring stakeholder value, IHCL continues to foster a learning-led, high-performance culture across the organisation as part of its 'Accelerate 2030' strategy.

Guided by Paathy, IHCL's ESG+ framework, the company remains focused on advancing sustainability, strengthening community impact, and delivering differentiated guest experiences while maintaining strong governance and responsible business practices.
