Radisson Hotel Group Expands Gujarat Footprint with Two New Hotels

Radisson Hotel Group, in partnership with NILE Hospitality, has expanded its presence in Gujarat with the opening of Radisson Resort & Spa Sasan Gir and Park Inn & Suites by Radisson Rajkot. Located near Gir National Park, Radisson Resort & Spa Sasan Gir features 122 rooms and suites, along with dining, wellness and extensive indoor and outdoor event facilities for weddings, social celebrations, corporate offsites and MICE programmes. In Rajkot, Park Inn & Suites by Radisson Rajkot marks the brand's debut in the city with 54 rooms and suites, an all-day dining restaurant, tea lounge and banquet facilities designed to cater to business, leisure and social travellers.

Nikhil Sharma, Managing Director and Chief Operating Officer, South Asia, Radisson Hotel Group, said the openings reflect the group's strategy of expanding into emerging leisure destinations and high-potential Tier II and Tier III markets with propositions suited to local demand. Vikram Singh Chauhan, Founder & CEO, NILE Hospitality, said the two properties demonstrate the partnership's ability to address diverse demand drivers, from wildlife and experiential tourism in Sasan Gir to business and commercial travel in Rajkot.
