

## **IHCL expands Gujarat footprint with Gateway Kandla Gandhidham**

New signing strengthens presence in key industrial hub, reinforcing growth across emerging business destinations

Indian Hotels Company Limited (IHCL) has announced the signing of Gateway Kandla Gandhidham, marking a strategic expansion in Gujarat's prominent industrial corridor. The hotel will cater to the growing demand from business travellers visiting the Kandla port and Gandhidham region, a key logistics and trade hub.

The upcoming property will offer contemporary accommodation along with signature hospitality under the Gateway brand, known for its upscale yet accessible positioning. With Gujarat continuing to attract strong industrial and commercial activity, the signing aligns with IHCL's focus on expanding in high-growth economic centres.

Gateway Kandla Gandhidham will feature well-appointed rooms, dining options and modern meeting spaces, catering to both corporate and leisure segments. This addition further strengthens IHCL's portfolio in Gujarat and underlines its commitment to deepening presence across key domestic markets.
