

Hyatt to open Hyatt Place Kolhapur Sangli

Hyatt Hotels Corporation has signed a management agreement with Shah Lagoo Properties LLP to develop Hyatt Place Kolhapur Sangli, reinforcing Hyatt's commitment to expanding its footprint across India's high-growth markets.

Located within the upcoming SL Highstreet mixed-use development, the hotel will feature 115 contemporary guestrooms, each thoughtfully designed with separate zones for sleeping, working, and relaxing. Guests will enjoy modern amenities including a 24/7 dining outlet, fitness centre, swimming pool, and versatile meeting and event spaces, catering seamlessly to both business and leisure travellers.

“The signing of Hyatt Place Kolhapur Sangli aligns with Hyatt's strategy to thoughtfully grow our brand presence in India's secondary cities, delivering high-quality hospitality experiences in underserved yet fast-developing markets,” said Dhruva Rathore, Vice President, Development, India & Southwest Asia, Hyatt. “As the first internationally branded hotel planned for this region, Hyatt Place Kolhapur Sangli will bring our signature comfort, convenience, and care to Sangli.”

Akshay Shah, Partner at Shah Lagoo Properties LLP, added, “Our association with Hyatt to develop Hyatt Place Kolhapur Sangli is a proud milestone for us and reflects our vision of creating a world-class commercial and hospitality destination in Sangli.”

Once operational, Hyatt Place Kolhapur Sangli will join Hyatt's growing portfolio in India, offering modern comfort, connectivity, and warm hospitality to travellers in the region.
