

ITC Grand Central Mumbai marks World Environment Day

ITC Grand Central Mumbai Celebrates World Environment Day with Green Initiatives

Marking World Environment Day, ITC Grand Central Mumbai has launched a series of sustainability-driven initiatives aimed at fostering environmental awareness among guests and employees. The hotel is showcasing its Kitchen Garden, featuring fresh herbs and produce used in its culinary offerings, while also promoting biodiversity through informative plant and tree signage across the property. Activities such as a Green Meal initiative, distribution of Tulsi saplings, an environment-themed drawing competition, and a plant showcase in partnership with Ugao reflect the hotel's commitment to responsible hospitality. Through these efforts, the property continues to strengthen its focus on sustainability, conservation, and community engagement.
