

JW Marriott Mumbai Sahar unveils Incognito with an exclusive Glenmorangie dinner

Romano's at JW Marriott Mumbai Sahar introduces an intimate and elevated Glenmorangie Whisky Dinner, curated for guests who appreciate fine craftsmanship, exceptional malts, and immersive dining journeys. This one-night-only experience also marks the exclusive unveiling of Incognito — a private, hidden enclave inside Romano's crafted for bespoke celebrations and high-touch culinary encounters.

With just sixteen seats, the evening reflects Incognito's ethos as the hotel's most elite dining space, ideal for private dinners and personalised hosting experiences where every detail is thoughtfully curated.

Guests will step into a setting that feels warm, refined, and intentionally intimate. The five-course journey brings together expressive flavours and the nuanced richness of Glenmorangie. Expect creations such as Insalata Frutti e Fiori paired with Glenmorangie The Original 12 YO, a velvety Rigatoni with Apple Blossom, and exquisitely crafted mains. The experience concludes with Fireside, a dessert layered with honey, whisky peach flambé, and jasmine gelato, beautifully matched with Glenmorangie Infinita 18 YO.

Celebrating craftsmanship, flavour, and discovery, the evening offers guests an exclusive first glimpse of Incognito, a destination that will continue to host private gatherings where every element — from the menu to the ambience — can be customised to create unforgettable, tailor-made dining moments.
