

# **HRAWI Launches Knowledge Series with Inaugural Session on Hospitality Regulations in Pune**

The Hotel And Restaurant Association (Western India) – HRAWI is set to launch its Knowledge Series – I, a comprehensive full-day learning session designed to equip hospitality professionals with the latest regulatory and policy updates for the sector. The inaugural edition will be held on Thursday, 12<sup>th</sup> February 2026 at Amanora – The Fern | Series by Marriot, in Pune.

The timely initiative aims to address the evolving compliance landscape, covering critical topics such as the Digital Personal Data Protection (DPDP) Rules, GST updates, Labour Codes and Tourism Policy. The session is structured to provide actionable insights and promote meaningful dialogue between industry stakeholders and subject-matter experts.

In a rapidly changing regulatory environment, continuous learning is not optional — it is essential for sustainability and growth. The Knowledge Series is designed to bridge the information gap and empower hospitality leaders with the clarity and confidence needed to navigate compliance requirements effectively.

Ernst & Young (E&Y) is the Official Knowledge Partner for this series. The Knowledge Series will be conducted every month across various towns and cities in the western region.
